Are you a fan of “Dancing With the Stars”?

Have you ever wondered what it would be like to do the same kind of dancing on the ice?

Our club offers a great ‘Learn to Ice Dance’ class Sunday mornings at the Katonah rink. Participants receive a half hour lesson as well as a half hour of practice ice. This session’s class has received lessons from 2-time US National Silver Medalist Matthew Gates and 2006 US Winter Olympian Jamie Silverstein.

If you are interested in participating in the class, check out our dance page at the club’s website at <http://www.hhfsc.org> for all the contact information.

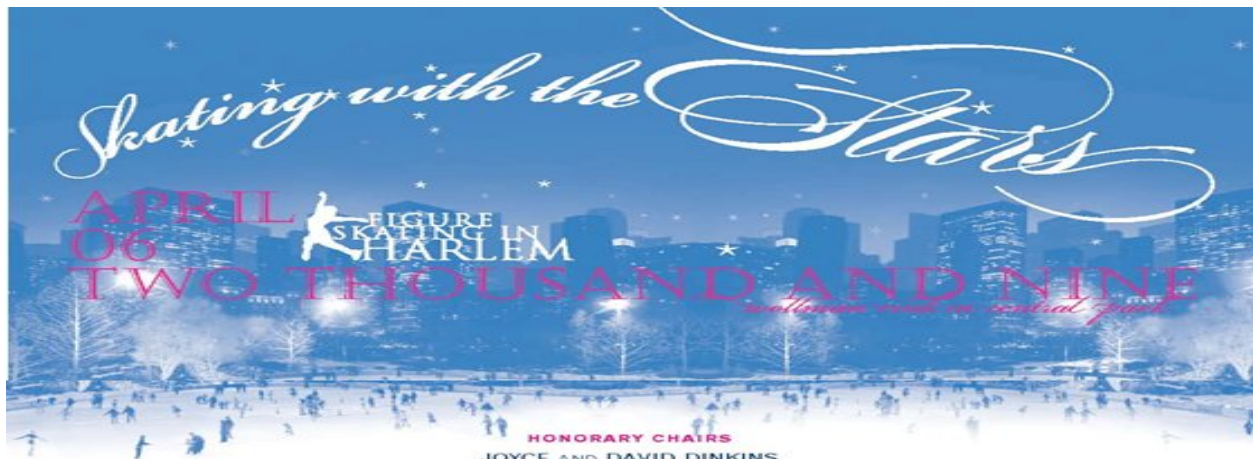

See you on the ice!

Thank you to club members and judges Wendy Mlinar and Ann Greenthal, who will be travelling to Buffalo this May to represent the Hickory Hill FSC at the US Figure Skating Governing Council meeting.

Thank you both for all that you do for our club!
