Newsletter of the Hickory Hill Figure Skating Club

Congratulations to all of our club's skaters who competed at the 2009 Liberty Open in Aston, PA this month! This prestigious competition draws hundreds of skaters from all over the United States and Canada.

We would love to hear about your experience at this competition for the next edition of the newsletter! You can email a report and pictures to ahodman@aol.com, and they will be included in the August/September issue.

You can find full results from the competition here:

2009/2010 Rulebook Available Online!

The 2010 Rulebook and Tests Book are now available on the U.S. Figure Skating web site at www.usfigureskating.org. Click on the RULEBOOK link found at the top of the page to the right of the logo.

Some things to remember about the new rules:

The singles and pairs short program & well-balanced free skate, and compulsory dance, original dance & free dance requirements for the 2009-2010 competition season are in effect as of July 1.

Changes to test content and requirements go into effect on September 2.

All other rules changes are effective on September 1.

The approved NEW moves in the field do not go into effect until September 2010. These new moves are included on the rulebook web site for your information.

The rulebook and tests book will be available very shortly on CD and will include the directory information. Hard copies of the rulebook, tests book and directory will be available in late August.

If you would like to preorder printed rulebooks, please email us at rulebooks@hhfsc.org.

Memorial Fund Awards and Scholarship Information

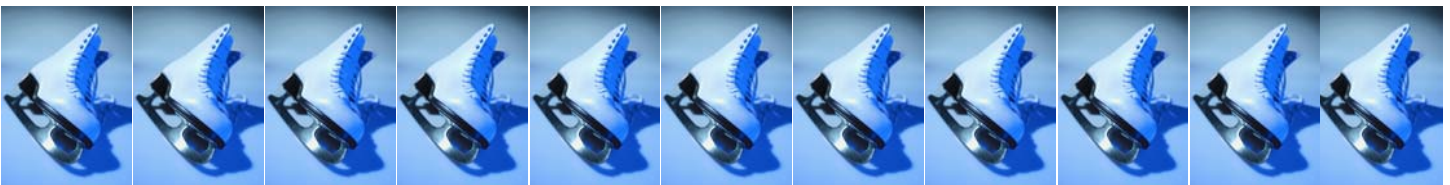

Dear Athletes:

U.S. Figure Skating and the Memorial Fund Committee are pleased to announce that applications are now being accepted for the 2009-2010 Memorial Fund Competitive Skaters Assistance Program (CSAP) Awards and for Academic Scholarships.

The application must be completed online. All supporting materials must be fully completed and postmarked by September 12, 2009 or applications will not be considered.
