## **Where Can I Find...?**

Several of our members have asked us in recent months where they can buy copiers of the new rulebooks, binders, and test medals and pins.

You can order all these items online at the **US Figure Skating “Members Only” section**. Click on the “Members Only” button on the upper right hand portion of the home page, then log in with your membership number and password. (There are instructions on how to acquire a password if you have never logged in before). You can click on ‘Online Store’, or use this link once you are successfully logged in:

At the Members Only site, you can also update your contact information, view your test and qualifying competition results, and more!
