Attention Junior Club Members! We need you for our Junior Volunteer Board!

Hickory Hill FSC is proud to announce the creation of a new all-volunteer board for our club's junior skaters aged 17 and under. Junior volunteers will meet at the same time as the HHFSC board, and will work on projects such as new club brag boards and opportunities to work with mentoring lower-level learn-to-skate participants.

If you are interested, please email Amy at aehodman@aol.com. Don't forget that volunteering always looks great on your college applications!

We are also still actively looking for more adult club members to work with the Board on upcoming projects, such as the potential club competitions we will be reviewing at the Annual Meeting. It's a great way to learn more about how US Figure Skating works!

THERE'S NEVER BEEN A BETTER TIME ~ OR PLACE! ~ TO LEARN HOW TO ICE DANCE!

We are currently looking for skaters who would be interested in signing up for a learn-to-dance class on the Sunday club dance sessions this fall. Not only will it help improve your overall skating and Moves in the Field, you will be learning the basics of one of the most popular disciplines of figure skating from the best in the business! Now that the current World Gold and Bronze medalists in ice dance are from the United States, ice dance is more exciting than ever, so be sure to join in on the fun!

E-mail Wendy Mlinar at wmlinar@aol.com for more information.
