

HHFSC NEEDS YOU!!

One of the many items we reviewed at the annual meeting was the proposal for a club-run Basic Skills competition sometime early next year, which will both increase our visibility with local skaters and hopefully help to grow our membership with skaters who are just starting out in their on-ice journey.

In order to make sure the competition is a success, however, we need YOU! No matter what amount of time you have available, there are many different opportunities to help make this event a great one for our club, and to hopefully help us build for even bigger and better events in the future! Please email Amy at aeodman@aol.com and let her know what areas you would be available to help in. We especially need people who will be able to help for 3-4 hours on the day of the competition.

We are also still actively looking for a club Membership Chairperson. This is an ideal job for a club member who is looking to do most of their volunteer work from home. Please email Amy if you are interested, and she will make sure to get you all the details!

HHFSC Board Member Rhonda Laufer-Mishkind and her daughter, HHFSC member Veronica Mishkind, are organizing a special skating show this August. Please be sure to attend if you can, and support them in their endeavor to raise money for four great charities!

Club member Simona Lee has had a very busy 2011 competitive season so far! In February, she finished 6th out of 16 ladies in the Novice Ladies' Long Program event at the 2011 Empire State Games in Lake Placid. At the Morris Open, she won the bronze medal in both the Novice Ladies' Short and Long Program events. She then went on to win the silver medal in the Novice Ladies' Short Program event and finished 5th in the Novice Ladies' Long event at the Southern Connecticut Open.

Congratulations Simona – we'll all be cheering for your continuing success for the rest of the season!

Simona Lee with fellow club member Daley Deydo at the 2011 Southern CT Open.

When you see coaches and club members Christina Makris Hennessy and Matthew Gates around the rink, be sure to congratulate them! Both of them have welcomed a new arrival to each of their families this summer.

Congratulations to you both on your beautiful new babies!

Attention all Hickory Hill FSC Adult Skaters!

Newcomers are welcome to skate with the Ice Magic Adult Masters Synchronized Skating Team on Tuesday night, August 9th at 9:00 PM at the Harvey Rink in Katonah NY. Please RSVP ASAP to Linda at Imagnusson@insys.com if you are interested, or want to find out more about the exciting world of synchronized skating!

THERE'S NEVER BEEN A BETTER TIME ~ OR PLACE! ~ TO LEARN HOW TO ICE DANCE!

We are currently looking for skaters who would be interested in signing up for a learn-to-dance class on the Sunday club dance sessions this fall. Not only will it help improve your overall skating and Moves in the Field, you will be learning the basics of one of the most popular disciplines of figure skating from the best in the business! Now that the current World Gold and Bronze medalists in ice dance are from the United States, ice dance is more exciting than ever, so be sure to join in on the fun!

E-mail Wendy Mlinar at wmlinar@aol.com for more information.
