We are very excited to announce that all current, active home club members are entitled to receive a FREE club jacket!

Board member Sue Schmidt will have samples of the sizes for interested club members to try on available over the next few weeks at the Palisades Ice Rink on Tuesday evenings during the freestyle. If you cannot get to the Palisades rink during this time, we will be scheduling some time to meet up with interested club members at the Katonah rink. Please reply to our Secretary, Amy Hodman, if you are interested in setting up time in Katonah during the Sunday ice dance session, and we'll let you know which Sunday the samples will be available.

If you are unable to meet up at either rink, sizing information is available at the following website:

<http://lisavdesigns.vpweb.com/Skating-Jackets.html>

You can then email your requested size to Amy at ahodman@aol.com.

Once the jackets have arrived, we will also send out notification of when and where they will be able to be picked up.

Thank you again for continuing to be a part of the HHFSC!

U.S. Figure Skating is excited to announce the launch of the 2011-12 Solo Dance Competition Series. This is the second season for this Solo Dance Series in which ice dancers compete at specific non-qualifying competitions within their section and earn points based on their placement. The top skaters in each section and level will advance to National Solo

Dance Championships in September 2012. This program serves as a membership and dance discipline development tool, and is open to individual skaters within the Eastern, Midwestern and Pacific Coast sections.

We are excited to announce that the 2011-12 Series will include both Solo Pattern Dance and Solo Free Dance events. Also, the 2011-12 Solo Dance Series season will run from October 1, 2011 – August 26, 2012.

The time frame to register for skaters wishing to participate in the Series is from September 15, 2011 to March 1, 2012. Although the deadline to register is on or before March 1, 2012, we are requiring any skater who wishes to participate in the Series to be registered as a Series participant with U.S. Figure Skating prior to entering a participating Series competition that they plan to have count towards their point balance in the Series. A list of participating non-qualifying Series competitions will be available on the Solo Dance Series webpage at the start of November.
