*Newsletter of the Hickory Hill Figure Skating Club*

**Happy Holidays from the  
Hickory Hill Figure Skating  
Club!**

**Thank you to all of our club members who came out on Saturday, December 17th to support our club's competitive skaters who participated in the annual Palisades Holiday Show. A special thank-you goes out to board members Rhonda Laufer and Gina Lee for running and organizing the snacks and cake for the club's after-show reception and creating a congratulatory banner for all the skaters. A wonderful time was had by all, and a lot of the learn-to-skate parents got to learn more about the club and to see us in action!**

***Stay tuned to the newsletter for more news on upcoming club events!***

# UPDATE ON CLUB JACKETS!

**The club jackets are beginning to arrive! Please be on the lookout in your email in-box for updates on when your jacket will be available for pickup!**

SKATER  
NEWS!

# CALLING ALL HHFSC MEMBERS!

As part of our ongoing efforts to increase the visibility of our club, we have just finished updating the light boxes at the Palisades with all-new materials and pictures! In addition, we also have a presentation board out for the Tuesday learn to skate session at the Palisades as well.

We need YOU to help make our Hickory Hill FSC publicity efforts a success! If you would like your photos to be included in the light box display, please email them to Amy at [aeodman@aol.com](mailto:aeodman@aol.com). You can also mail them to the club's mailing address on the next page, or leave copies in the drawers below the light box display. Since we would like to keep the club display as updated as possible, please be sure to remember and include us when you have new skating photos!

Want to help support HHFSC while adding some glitz to your on-ice wardrobe? Coach Stephanie is now selling her custom beaded and stoned gloves and towels during the learn to skate and freestyle sessions on Tuesday nights at the Palisades! 10% of the proceeds go to support the club. You can check out a sample of her designs — and our new presentation board — in the photo!
